1 – CALL TO ORDER

The regular session was called to order by the regular Presiding Officer, Hon. Avon Domalaon at 9:05 in the morning.

2 – OPENING PRAYER

The opening prayer was led by Hon. Antonio Emano, Jr.

3 – ROLL CALL

The Secretary called the roll and reported back to the Chair that there is a hundred percent attendance. Quorum therefore was established.

4 – ACKNOWLEDGEMENT OF THE GUESTS

The Chair acknowledged the invited guests - the representatives of NGAs and NGO assigned in the municipality and the Sangguniang Kabataan (SK) Chairmen. After which, the members of the SB introduced themselves, their committee chairmanship and their barangay assignment. This was followed by the self-introduction of the SK Chairmen present. The Chair stated that the SK now enjoys its "independence" from the barangay in terms of utilization and disbursement of funds. Hon. Ryand Diño agreed and added that the SK still needs though, the guidance of the Punong Barangay. The Chair also reminded the SK Chairmen to prepare their annual budget on time, as per RA 7160 and other pertinent guidelines. Hon. Juan Ebid took the time to remind the SK officials to always dress appropriately when attending sessions or committee hearings – never in short pants or slippers.

At this time, the Chair gave the floor to the representatives of the NGAs and NGO assigned in the municipality.

(1) Ruth Madona B. Besmonte, KALAH I Area Coordinator

Ms. Besmonte informed the body that while KALAH I has started in 2012 in the municipality, she herself has started only in January 2025. She added that as the Area Coordinator, she acts as the team leader of KALAH I team in implementing the programs and projects of the KALAH I. Nevertheless, she added that she would be inviting the SB on a separate occasion to discuss thoroughly the KALAH I programs and projects in the municipality and the body was amenable to it.

(2) Mae Ann O. Dizon, PDO II /Municipal Link-4PS

Similarly, Ms. Dizon introduced herself and continued that the more detailed orientation of 4Ps program would be done with that of KALAH I, since both are programs of the DSWD. She added that at present, 4Ps has 1,896 beneficiaries and they have 8 staff.

(3) Marilou D. Barcelá, Municipal IPMR President

Ms. Barcelá firstly thanked the body for their new office (Agta Tabangnon Tribal Hall, beside the MDRRM EOC (2nd Floor) where they can now hold meetings, and no longer at the SB Session Hall. She informed the body that their office's main function, among others, is to assist the members in securing Certificate of Confirmation (COC) from the NCIP Provincial Office, which is a really lengthy process. Asked by Hon. Alexzder Destura, she explained the procedure for the said COC. She added that their office also intends to keep a register / list of IP members in the municipality since many are "applying" as members due to the several benefits and privileges being given to IP members. She continued that in Sorsogon, there are 6 municipalities with IP community and Prieto Diaz is the most active of all.

(4) SFO3 Roger E. Jaymalin Jr., OIC/Municipal Fire Marshal

Mr. Jaymalin introduced himself and expressed gratitude to the MLGU for the support to the BFP Municipal Office. He shared to the body their office mandate as per Republic Act No. 11589. He continued that at present, the BFP Municipal Office has 2 firetrucks – one 2500-gallon capacity and a 350-gallon donated by the MLGU. He continued that the while the former dates back to 2016, the latter's tank has hole already. He continued that they also have an ambulance received this year. As for the personnel, they now have 16 personnel, and as per computation by their office, they need 8 more. He further shared the concerns they have (1) need for additional 1000-gallon fire truck (2) very low water pressure from the fire hydrant (3) low-hanging electrical wires in the barangays. The Chair thanked him and stated that the SB would try to address his concerns during the session proper.

(5) Lorna D. Jeniebre, EO III/COMELEC

Ms. Jeniebre informed the body that she has served in the municipality for 2 years now, and 2 elections as well. As to the upcoming Barangay and SK Election, she explained as far as their office is concerned, as long as there is no law or executive approval to reset or postpone it, the election would be held on December 1, 2025. She added that the latest notice of registration for (1st time voters) for the said election would be on August 1 to 10, 2025.

(6) Ma. Vivian Navarro, GNIP

Ms. Navarro briefly stated that GNIP has been working with the MLGU for 12 years now, and that like the KALAHÍ and 4Ps, they would seek a separate day for the orientation of their programs and activities to the august body. The self-introduction of GNIP staff followed.

(7) Camille D. Ditan, DTI-Negosyo Center/Business Counsellor

Ms. Ditan explained their office services which include business advisory, assistance to BSME and business information and advocacy and loan facilitation. She added that they also do price monitoring especially among hardware and grocery stores. She also stated that should the body need to request for particular trainings in the barangays, they may do so through their Provincial Director.

At this point, the Chair thanked the guests for their presence and insights. The Chair then declared a recess. The session resumed at 10:52 in the morning.

5 – READING AND APPROVAL OF THE PREVIOUS MINUTES

The verbatim reading of the minutes of the July 7, 2025 regular session was dispensed with upon motion of Hon. Antonio Emano, Jr., duly seconded by Hon. Juan Ebid. The Chair asked the august body for any corrections or amendments to the said minutes. Hon. Joseph Yap, Jr. corrected on page 8, (7) to read as "attend flag-raising every Monday at 8:00 o'clock in the morning at the line designated for the Sangguniang Bayan, except in the event of *force majeure*".

Secondly, Hon. Jo Madel Domalaon sought clarification in Section 80, which shall now then read as, "Section 80. *Collection of Fees and Its Disposition. The elected Treasurer in the Sanggunian shall then collect every end of the month of the fines due to the erring members and shall take custody thereof as a private trust fund. The Sangguniang Bayan shall decide on the manner of the disposition of the said fund and the purpose thereof.*"

On the other hand, Hon. Alexander Destura corrected on page 10, 9.2.1 that it should remain 1000-gallon, not 10,000 and moved to delete the succeeding sentence, and the body was amenable to it. In addition, on Section 11, Regular Sessions (of the IRP), Hon. Joseph Yap, Jr. moved to amend it to 8:30 in the morning, and the body was amenable to it. Lastly, the Chair sought clarification on page 6, last paragraph, if it was indeed a "dead tree". Hon. Alexander Destura confirmed that it is indeed a dead one, posing risk on the especially during "*habagat*". Hazardous as it is, the Chair stated that the MDRMMO may indeed assess it and do the cutting. He then tasked Hon. Vicente Bayoca to follow up the request with the LDRMO Rafael Ryan Bayoca.
