Hon. Lilia Oliveres read the committee findings and recommendations. She corrected a typographical error in the report though that the honoraria should only be P 65,940.00, not P 86,985.15. The Chair asked about the seemingly double entry for Personal Services and Honoraria. Hon. Antonio Emano, Jr. explained that it should be differentiated, since Personal Services is a general term for employees' compensation like wages, salaries, honoraria, while Honoraria refers to honorarium per se. The Chair added it should be in accordance to RA 11768. Hon. Joseph Yap, Jr. then asked the body on the correct term to use for the said item, and they agreed to use "Honoraria". Hon. Lilia Oliveres passed a resolution entitled: A RESOLUTION DECLARING AS OPERATIVE IN ITS ENTIRETY SANGGUNIANG KABATAAN RESOLUTION NO. 2025-001 OF BRGY. 9.2.1 Appearance of Mr. Oscarlito Uy, SORECO II Prieto Diaz Branch Head

At this juncture, the Chair acknowledged the presence of Mr. Christian Domalaon, on behalf of Mr. Uy. Having been given the floor, Hon. Joseph Yap, informed the guest, of the BFP Municipal Office's observation on the low-hanging wires along the barangay roads which hampers their office's fast response to fire incidents in the barangays. Mr. Domalaon explained that the low-hanging wires along the barangay roads are mostly used for CCTV, public address system and streetlights of the barangays. He added that

SORECO II may assist the barangays in having them fixed to a standard height, upon the barangay's request to their main office. Councilor Yap then stated that the SORECO's electric wires are of standard height. The Chair then tasked Hon. Antonio Emano, Jr. to instruct the Punong Barangays to coordinate with SORECO II should they need assistance for the said matter.

At this point, Hon. Alexander Destura requested Mr. Domalaon to prioritize those streets in the Poblacion where the usual route of Town Fiesta procession is being done. Hon. Antonio Emano, Jr. similarly requested for him to look into the wire / transformer near the chapel and elementary school in barangay Carayat for it usually sparks, posing danger to lives and properties. In addition, Hon. Lilia Oliveres requested for him to look into the service board installed at a residential house at GK Village in Brgy. Quidolog, which poses danger especially to the children living therein. Mr. Domalaon took note of the requests and reiterated that a request from the Punong Barangay to their main office is needed. Lastly, the Chair requested him to check out the old, hanging, worn-out electric meter installed among the trees, posts and elsewhere at the consumers' premises. Mr. Domalaon stated that they are indeed replacing and fixing them one at a time.

11 – OTHER MATTERS

11.1 by Hon. Bienvenido Ayo, Jr.: needed upkeep of the comfort rooms and water tank/supply in the Municipal Covered Court

Referred to the Committee on Public Works and Infrastructure, Hon. Bienvenido Ayo, Jr. reported that he has talked to Mayor Domasian about it who then instructed Engr. Exequiel Destura look for funds for the said matter and address the said concern immediately. He added that Engr. Destura has sent his staff to look into the said comfort room.

On the other hand, Hon. Alexander Destura suggested including the roof of the Municipal Covered Court should there be a budget for repair. He recalled one occasion when Governor Edwin Hamor was there, and holding an umbrella as it rained while inside the said court. Hon. Ryand Diño added that should there be a rehabilitation, it should be the "ideal" covered court for the municipality. The Chair expressed his agreement to them and stated that he has in fact asked Hon. Congressman Wowo Fortes for that covered, "walled" court to serve multi-purpose functions.

- 11.7 by Hon. Juan Ebid: request of fishermen from Diamante to have the Tsunami Detection Station in their coastline (sabangan) to be lighted up

At this time, the Chair acknowledged the presence of LDRMO Rafael Ryan Bayoca who was invited to the session through the request of Hon. Juan Ebid. Having been given the floor, Hon. Juan Ebid reminded Mr. Bayoca of the request of fishermen from Diamante to have the Tsunami Alerting Station in their coastline (sabangan) to be lighted up to serve as their guide on their way home, especially at night and during bad weather. He added that he has relayed same request to him sometime in 2023. Mr. Bayoca explained that the said station/structure is owned by PHIVOLCS, and that he has conveyed the said request to Mr. Bhenz Rodriguez of the DOST-PHIVOLCS. He continued that according to Mr. Rodriguez, PHIVOLCS would be the one to install the said light, and that their last

conversation through Messenger private message (PM) was last April 2025. Nevertheless, he assured the body that he would PM him again. Hon. Juan Ebid asked if there is a possibility for the said lights to be procured through local fund on the soonest possible time, especially that the wet season is almost here. Hon. Ryand Diño expressed that the said lights are very essential for the farmers especially at night.

After due deliberation, Hon. Joseph Yap, Jr. and Hon. Alexander Destura passed a resolution entitled: A RESOLUTION RESPECTFULLY REQUESTING THE DEPARTMENT OF SCIENCE AND TECHNOLOGY REGIONAL OFFICE NO. V AND THE PHILIPPINE INSTITUTE OF VOLCANOLOGY AND SEISMOLOGY (DOST - PHIVOLCS) TO INSTALL LIGHTS AT THE COMMUNITY TSUNAMI ALERTING STATION (CTAS) IN THE MUNICIPALITY OF PRIETO DIAZ, SORSOGON. On motion of Hon. Antonio Emano, Jr., duly seconded by Hon. Juan Ebid, the said resolution was adopted and approved unanimously and was docketed as Resolution No. 128-2025. The Chair however stated that since it as national agency, Prieto Diaz will not know if that request would be granted or when. Asked by the Chair, Mr. Bayoca stated that the said structure is a property of PHIVOLCS, including its maintenance. He urged Mr. Bayoca to appropriate funds from the LDRRM fund for the welfare of the fishermen. He replied that he would contact Mr. Rodriguez first about it, and that he would see into the LDRRM fund.

In addition, Hon. Joseph Yap, Jr. reported to Mr. Bayoca an incident about the use of rescue vehicle / ambulance in transporting a patient to Sorsogon City. He continued that when the doctor tried to monitor the blood pressure of the patient therein, to the doctor's disappointment, the ambulance does not have the BP monitoring equipment. Councilor Yap suggested to Mr. Bayoca to remind his responders that the ambulance should always carry the essential medical equipment. Hon. Lilia Oliveres agreed and also suggested including a blanket in its basic medical kit for the privacy of the patient. Mr. Bayoca explained that their rescue vehicle contains only the basic equipment for rescue operations, unlike the actual ambulance.

Having no other concerns, the Chair then thanked Mr. Bayoca for his presence.

At this juncture, the Chair acknowledged the presence of Mr. Salvador Escario, AT – Fisheries, who was requested to answer the query on the lights at coastline (sabangan), funded under the MMK prize. Mr. Escario explained that the staff of the Engineering Office has visited the said site for that project - navigation with solar lights. As of now, he added, they are waiting for that POW from the said office. He continued that the temporary solution they made was those extra bouys which they asked from Mayor Domasian, to be used as guide of the fishermen. He added that there is a pair of concrete posts therein, however, the other one was already damaged. He added that according to Engr. Destura, that would be replaced by a new one. He assured the body that there is still fund for the said project. The Chair then thanked Mr. Domalaon for his presence.

11.8 This time, the Chair informed the body that Mayor Domasian has asked for the temporary relocation of Sa-ud site to Barangay Brillante, along Diño street, since its present site is being occupied by transient vendors and stall owners (*chichiriya*), in connection with the Town Fiesta Celebration. Therefore, a resolution was enacted, introduced by the council, entitled: A RESOLUTION TEMPORARILY RELOCATING THE SPECIAL MARKET DAY / SA-UD SITE TO DIÑO STREET IN BRGY. 11.10 Hon. Jo Madel Domalaon proposed for the body to have a uniform for its regular session. The Chair stated that it may do so next year, with the release of clothing allowance, and the body was amenable to it.

11.11 At this juncture, the Chair recalled that Engr. Reygie Palma, resident Engineer for Ibingan Small Reservoir Irrigation Project (SRIP), who was then invited to the SB session, informed the body that the said dam is due for dry run in March, but up to the present, there is none. The body then agreed to visit the said dam on Wednesday, at 9:00 o'clock in the morning.

11.12 This time, the Chair invited the members to the benchmarking by the MLGU to the province of Siargao, set on September 2-5, 2025, as part of the MMK 2020 prize. He added that there are 6 slots given to the SB and the OVM. He asked those interested to join to be enlisted.

11.13 Hon. Ryand Diño shared an incident a few days ago at PAMANA Terminal in Gubat, where passengers waited for hours for the PGSORTSCO bus to transport them to Prieto Diaz, causing so much inconvenience and hassle to the riding public. He added that even the name of the LGU was dragged into it in the social media. The Chair then referred the said matter to the Committee on Transportation and Communications.

11.14 Hon. Lilia Oliveres expressed her idea of conducting the payout of Senior Citizens Social Pension in the respective barangays. She continued that this would be a big relief for the elderly since 70% of them have physical limitations and can save them the transportation costs. Hon. Juan Ebid shared that he has asked the MSWDO about that but he was told that it cannot be done, due to security reasons. Hon. Jo Madel Domalaon expressed that it is being done in other towns, therefore, it is

possible. The Chair then referred the said matter to the Committee on PWD and Senior Citizens' Affairs.

Similarly, Hon. Oliveres asked her colleagues if there can be a re-assessment of the structures at Sabang Beach and have budget allocation its improvement. She added that the said beach says a lot about the municipality, as showcased worldwide through the social media. The Chair then referred the said matter to the Committee on Tourism, Committee on Appropriations and Committee on Public Works and Infrastructure.
