**8 – CALENDAR OF BUSINESS**

8.1 Unfinished Business - none

8.2 Business for the Day:

8.2.1 Appearance of Mr. Edmundo F. Villaluz, Acting IMO Manager Sorsogon Masbate National Irrigation Administration (NIA), Buhatan, Sorsogon

The Chair acknowledged the presence of the personnel from Sorsogon Masbate National Irrigation Administration (NIA) who were sent by their office. The said personnel informed the council that their head, Mr. Edmundo F. Villaluz, IMO Manager was called

for a meeting at the NIA Central Office in Manila, but they assured the body that they can explained issues about the Ibingan dam at San Antonio, this municipality.

Engr. Sherwin Rois Nopre explained the Physical and Financial Accomplishments of the Ibingan SRIP Dam Component is already 100% completed, as per pamphlet given to the council. He also explained that the original plan of the said dam is to service from Barangay San Juan to Barangay Bagacay in Gubat, with a total of 489 hectares. He continued that the actual fund expenditure has reached seven hundred eighty million pesos (P 780,000,000.00), from P 675,000,000.00 starting fund, and that it is already 100% completed (all its components – dam, spillway, outlet works/diversion circuit, irrigation conduit and service road) and that they will have its inauguration in August. He added that it was also reported that the present canalization work that has extended to Barangay Ulag, with the estimated length of one thousand (1000) meters, would not be served with irrigation water anymore.

Engr. Nopre stated that they have tried to open portion of the dam from 10 am to 5 pm to know how and where the water would reach. Unfortunately, the canal has many debris like branches, leaves, rocks and sand which caused canals to be clogged. Hon. Bienvenido D. Ayo, Jr. informed the NIA personnel that one house in Barangay San Ramon was flooded due to that incident and advised them that next time they conduct such trial, they should inform residents near the canals from San Juan to Sta. Lourdes to avoid similar incidents.

The Chair stated that what he wanted to know clearly is when will the SRIP be of service to the farmers especially now that the planting season is fast approaching. Similarly, Hon. Alexander Destura likewise, asked the exact date when will the dam be operational, and Engr. Nopre asked to give them at least two months or until October 2025 for it to be operational.

Lastly, the NIA personnel asked assistance of the council to inform the would-be beneficiaries of the CIS and SWIP that Tax Declaration is needed and the Chair stated that they could consult with the Municipal Assessor's Office regarding that matter.

The Chair thanked the NIA personnel for their presence.

## **10 – OTHER MATTERS**

10.1 by Hon. Avon D. Domalaon: appearance of NIA Personnel

Taken up already

10.2 by Hon. Lilia D. Oliveres - a resolution adopting and approving the Local Nutrition Action Plan (LNAP)

At this juncture, Hon. Lilia D. Oliveres cited that Mr. Fernando Detecio, Municipal Nutrition Action Officer-designate wanted to let the august body know that a resolution

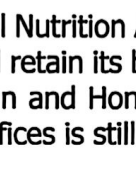

adopting and approving the Local Nutrition Action Plan (LNAP) is one of the requirements in order that our municipality will retain its being an awardee. Hon. Alexander D. Destura asked for a copy of the said plan and Hon. Lilia D. Oliveres stated it will be submitted later because data from other offices is still incomplete.

At this juncture, the Chair invited Mr. Fernando Detecio to shed light on the said matter. Mr. Detecio explained that a resolution from the Sangguniang Bayan regarding the approval of the Local Nutrition Action Plan (LNAP) is one of the requirements. The Chair then explained that the Local Nutrition Action Plan (LNAP) should be endorsed first to the Sangguniang Bayan before enacting a resolution. Hon. Alexander D. Destura opposed to passing a resolution without the plan. The council decided that if the plan is submitted on August 6, 2025, Wednesday, they will conduct a special session even on-line by Thursday but if no plan is submitted, the said matter will be laid on the table.
