At this juncture, Hon. Antonio Emano, Jr. commented that the funds for the different schools in the municipality is not equally divided. Hon. Jo Madel Domalaon, Chairman, Committee on Education, member of the LSB, explained that SEF is prorated according to pupil population. She added that there is allocation of Drum and Lyre Corps equipment purposely for PDNHS since it is being sent to regionwide competitions. Hon. Antonio Emano, Jr. suggested the said DLC fund should be make known to other high schools in the municipality so that they do not have to solicit for DLC equipment.

On the other hand, Hon. Ryand Diño shared that he was informed by the District Supervisor then that the school heads usually instruct the teachers in their respective schools to make proposal for the program/activity in order to avail of the fund allocated for their school, however, the teachers fail to do so. He continued that it is the reason why the utilization of SEF is quite low. Hon. Antonio Emano, Jr. then suggested to Councilor Domalaon that the school heads should be reminded to inform their teachers about the supplemental budget. Hon. Joseph Yap, Jr. responded that the teachers know that for sure – they just do not want to do it. Nevertheless, Hon.
