7 – COMMITTEE REPORTS

- 7.1 Committee Report No. 061-2025: From the Committee on Rules and Committee on Appropriations re: Draft Ordinance No. 2025-10, entitled: AN ORDINANCE PROVIDING THE AMOUNT OF P 100,000.00 EVERY YEAR FOR THE PURCHASE OF BIRTHDAY CAKE IN THE MUNICIPALITY OF PRIETO DIAZ, SORSOGON. Introduced by Alexander D. Destura

On motion of Hon. Alexander Destura, duly seconded by Hon. Antonio Emano, Jr., the said committee report was adopted and approved unanimously. Hon. Lilia Oliveres read the findings and recommendation of the committees, to wit;

FINDING:

1. There are more than three thousand (3000) registered and non-registered senior citizens in the municipality.

RECOMMENDATIONS:

1. Mr. Carmelo Doniña shall provide the committee members with the list of senior citizens and their birthdays.
2. Only those senior citizens that are residents of the municipality can avail of the birthday cakes.
3. The delivery of cakes shall be made by OSCA personnel and shall be properly documented.
4. P 200,000 shall be allocated for the purpose.
5. For the council's adoption and approval.

Hon. Alexander Destura explained that according to Mr. Carmelo Doniña, OSCA Head, that their office has been allocated with P 350,000 for the current year, and that P 200,000 may be used for the said cakes. Hon. Juan Ebid stated that while cakes for the elderly are good but then in reality, the senior citizens are not much into sweets anymore. He added that funds are better allocated for their maintenance medicines. The Chair stated that the deliberation of the said ordinance is to be done on the next regular session.

- 7.2 Committee Report No. 062-2025: From the Committee on Rules and Committee on Appropriations re: Draft Ordinance No. 2025-11, entitled: AN ORDINANCE PROVIDING GUIDELINES AND POLICIES ON ASSISTANCE TO INDIVIDUALS IN CRISIS SITUATION (AICS) IN THE MUNICIPALITY OF PRIETO DIAZ, SORSOGON. Introduced by Hon. Alexander D. Destura

On motion of Hon. Juan Ebid, duly seconded by Hon. Antonio Emano, Jr., the said committee report was adopted and approved unanimously. Hon. Lilia Oliveres read the findings and recommendation of the committees, to wit;

FINDINGS:

1. AICS is based on the Citizen Charter of the LGU.
2. The Local Chief Executive set the recommendatory amount for every client even if MSWDO conducts client assessment.
3. AICS should be based on different aspects such as medical (should be specified if confinement or not), burial, transportation, educational, food & non-food, and cash assistance.
4. As agreed by concerned local line agencies, AICS are now being given in cash basis instead of the usual issued cheque.

5. AICS requirement are case study (from MSWDO) and certification from the barangay concerned.

RECOMMENDATIONS:

1. P 1,000,000 will be allocated for the for the purpose.
2. AICS can be availed by the same client after 3 months.
3. A cash worth P 200,000 should be on-hand for AICS purposes at the Municipal Treasurer's Office and should be replenished once it reaches P 20,000.
4. For the council's adoption and approval.

Asked by the Chair, the author replied that it used to be P 500,000.00, now it will be made P 1,000,000.00. The Chair asked if petty cash would be available, Hon. Oliveres replied that as per hearing, the MSWDO would be coordinating with the MTO for that matter.

7.3 Committee Report No. 063-2025: From the Committee on Rules and Committee on Appropriations re: Draft Resolution No. 134-2025, entitled: A RESOLUTION REQUESTING FOR FUND ALLOCATION FOR THE REPAIR OF THE LEAKING ROOF OF THE RURAL HEALTH UNIT (RHU) OF PRIETO DIAZ, SORSOGON. Introduced by Hon. Lilia D. Oliveres.

On motion of Hon. Antonio Emano, Jr., duly seconded by Hon. Juan Ebid, the said committee report was adopted and approved unanimously. Hon. Bienvenido Ayo, Jr. read the findings and recommendation of the committees, to wit;

FINDINGS:

1. The leaking roof of RHU had led to the falling of various hanging cabinets.
2. There was a repair plan from MEO estimated at P 3 million.
3. As per Engr. Destura, the proposed repair cannot assure that the leak would not come back since the previous repair extensions of the RHU were not permanently attached to the main building.
4. The provincial government will soon retake the lot where the RHU is located.
5. The proposed Super Health Center is a far cry since more than P 20 million is needed for its construction.
6. LGU Prieto Diaz is the least priority of DOH since the proposed Super Health Center is a new construction.

RECOMMENDATIONS:

1. A waiting area should be built instead of roof repair but the LCE should be informed.
2. The above-mentioned resolution should be consigned to the archives.
3. For the council's adoption and approval.

Councilor Ayo explained that according Engr. Destura, it would cost a lot to repair the roof of the MHO/RHU considering its present condition. He added that another consideration is that the lot actually belongs to the Provincial Government. Hon. Lilia Oliveres added that according to Engr. Destura, P 200,000.00 would not be enough. She added that upon personal visit to the MHO, the leak has spread to various areas of the office including the stock room and receiving area - such a pitiful and inconvenient condition for both the personnel and the patients. Councilor Ayo explained that it is indeed challenging to do simple repair therein, since the previous repair extensions of the RHU were not permanently attached to the main building, and every time there is earthquake for instance, it tends to move. Councilor Ayo further added that in the end, the MHO bargained to have a new waiting area to be installed / constructed at least, to accommodate their patients while waiting, but Councilor Yap rebutted that it would not solve the leaking problem. Councilor Ayo replied that it would not, but it will give the patients a dry waiting area outside. Hon. Juan Ebid shared that he has heard Mayor Domasian said before that the LGU would wait for that Super Health Center, and Engr. Exequiel Destura must have stood by it.

At this point, the Chair stated that it is difficult to rely on the national government which has previously allocated P 20 million in the past, but then the MLGU did not have its own lot, and so has been realigned by the DOH. He stated that the MLGU itself must prioritize the MHO through its from its Municipal Development Fund. This time, Hon. Alexander Destura moved that the waterproofing be resolved first. After due deliberation, the council agreed visiting the MHO to see the condition for themselves.

7.4 Committee Report No. 064-2025: From the Committee on Land Utilization and Infrastructure re: Requirements for Zoning Locational Clearance Application

On motion of Hon. Alexander Destura, duly seconded by Hon. Juan Ebid, the said committee report was adopted and approved unanimously. Hon. Bienvenido Ayo, Jr. read the findings and recommendation of the committees, to wit;

FINDINGS:

1. That the said requirements for zoning clearance application, to wit:
 - a. Letter Request indicating the purpose
 - b. Locational Clearance Application Form
 - c. Certified True Copy of Title secured from ROD, +3 photocopies (except for Titling purposes)
 - d. Certified of No Claimant from the Municipal Assessor's Office (if not titled)
 - e. Certified True Copy of Tax Declaration
 - f. Certificate of Non-Tax Delinquency or Current Tax Receipt from MTO
 - g. Deed of Sale (if not transferred)
 - h. Affidavit of Consent of Lot Owner
 - i. Building Plan (1 set)
 - j. Road Right of Way Clearance (DPWH)
 - k. Contract of Lease
 - l. Notarized written affidavit of no objection to the project by the owners of adjacent properties.
 - m. Barangay Resolution/Certificate of no objection to the project
 - n. Special Power of Attorney (SPA) if authorized representative
2. It was stated that issuance of zoning locational clearance was flexible, it depends on the nature of business/project to be constructed.
3. If the zoning application was denied/not granted, should apply for appeal.

RECOMMENDATION:

1. For council's adoption and approval.

This time, Hon. Bienvenido Ayo, Jr. explained that of the 14 requirements, the letter L is the one that is found difficult to comply with by the business applicants, especially when the owner/s of the adjacent lot/s is not in good terms with the business applicant. Nevertheless, Councilor Ayo stated that according to Mr. Roderick Domasig, he is flexible with it. The Chair shared the short, seamless process of business application in Sorsogon City. Hon. Alexander Destura suggested for the MLGU to adopt the simpler requirements otherwise it would encourage "illegal" business when the requirements are difficult to comply with. Hon. Ryand Diño suggested studying Sorsogon City's ordinance / policy on this. Thus, the Chair referred the said matter to the Committee on Land Utilization and Housing for further research.

7.5 Committee Report No. 065-2025: From the Committee on Social Welfare and Committee on Family re: Data Sharing Agreement on Solo Parent Monitoring System

On motion of Hon. Alexander Destura, duly seconded by Hon. Juan Ebid, the said committee report was adopted and approved unanimously. Hon. Lilia Oliveres read the committee findings and recommendation, to wit;

FINDINGS:

1. That the said data sharing agreement is intended for the database monitoring system for the centralization of data of solo parents.
2. It was stated that this agreement was stipulated into writing.
3. The data will be updated every quarter (3 months).
4. Solo parent IDs have a validity of one year and be renewed every year.
5. It was stated that issuance of ID will be given if the solo parent has undergone/attended the yearly general orientation.
6. Solo parent that has a child 6 years old and below and PWDs, MSWDO provides booklet.

RECOMMENDATION:

1. Brgy. Captain/ VAWC Desk Officer should be invited to the yearly general orientation for the validation of their solo parent constituents.
2. For councils' adoption and approval.

Councilor Yap suggested that the requirements of Solo Parent ID validation be clarified by the committee. Hon. Ryand Diño explained that the topic on hand is the Data Sharing Agreement, which is simply how the data of solo parents would be handled / used that it would not violate their privacy / confidentiality. Hon. Lilia Oliveres added that the Solo Parent ID is only for those interested, and not for everyone. Hon. Joseph Yap, Jr. insisted that he wants to know the requirements for ID application. After due deliberation, the Chair ruled to have Ms. Betty Arines, MSWDO, invited to the next regular session for further explanation on Solo Parent ID application. Hon. Ryand Diño then passed a resolution entitled: A RESOLUTION AUTHORIZING THE MUNICIPAL MAYOR, HON. ROMEO DOMASIAN, PhD, TO ENTER INTO A DATA SHARING AGREEMENT WITH THE DEPARTMENT OF SOCIAL WELFARE AND DEVELOPMENT REGIONAL OFFICE NO. V, REPRESENTED BY ITS REGIONAL DIRECTOR, NORMAN S. LAURIO, FOR THE IMPLEMENTATION OF SOLO PARENT MONITORING SYSTEM IN THE MUNICIPALITY OF PRIETO DIAZ, SORSOGON

To this end, the LGUs shall submit the list of solo parents receiving benefits under this Act to the DSWD on a quarterly basis.*"

WHEREAS, as per agreement, both parties intend to work together to ensure accurate and timely submission of solo parent data to the DSWD FO V through the use of the system;

WHEREAS, on motion of Hon. Juan Ebid, duly seconded by Hon. Alexander Destura;

NOW, THEREFORE, be it as it is;

HEREBY RESOLVED, to authorize the Municipal Mayor, Hon. Romeo Domasian, PhD, to enter into a Data Sharing Agreement with the Department of Social Welfare and Development Regional Office No. V (DSWD RO V), represented by its Regional Director, Norman S. Laurio, for the implementation of Solo Parent Monitoring System in the municipality of Prieto Diaz, Sorsogon;

FINALLY RESOLVED, to transmit this resolution to Hon. Romeo Domasian, Municipal Mayor, copy furnished Ms. Betty Arines, MSWDO; and all concerned for their information and appropriate action;

APPROVED UNANIMOUSLY.

The said resolution was docketed as Resolution No. 160-2024.

7.6 Committee Report No. 066-2025: From the Committee on Transportation re: Prieto-Diaz – Manila Route and Other Concerns

Hon. Lilia Oliveres read the committee findings and recommendation, to wit;

FINDINGS:

1. Prieto Diaz-Bacon-to Manila vice versa is the route of Elavil.
2. Prieto Diaz-Gubat-PITX-Cubao-Sampaloc vice versa is the route of Raymond.
3. Prieto Diaz-Barcelona-Gubat-Alabang-Cubao-Pasay-PITX vice versa is the route of JVH.
4. That the said passenger complainant of JVH stated that during their trip from Manila, the bus passed by Pilar proper.
5. Grant of passes should be screened, to wit;
 - a. It should be prioritized to persons with emergency purposes (medical purposes)
 - b. PWDs and Senior Citizens
 - c. an indigent citizen

RECOMMENDATION:

1. To submit routes not later than September 1, 2025.
2. For council's adoption and approval.

On motion of Hon. Alexander Destura, duly seconded by Hon. Antonio Emano, Jr., the said committee report was adopted and approved unanimously. At this juncture, Hon. Juan Ebid stated that as per committee report, the bus companies operating in the municipality were asked to submit copies of their routes / franchise not later then September 1, 2025. Having none yet, Hon. Juan Ebid requested the Secretary to send a letter to the representative of the bus companies for that copy of franchise to be submitted to the body.

Councilor Ebid added that as per hearing, Raymond bus and Elavil bus would be granting one (1) full free pass daily for one passenger, effective August 25, 2025. In addition to this, he informed the body that he has advised the staff at the Office of the Mayor that the reservation for free pass should only good for one (1) week, not months ahead, as practiced. He added that an SB Member may avail of that free pass for somebody else, even if there is already someone previously issued – when the former has an emergency case in Manila. The Chair advised him to instruct Ms. Evelyn Villaluna at the Mayor's Office about it. Councilor Ebid assured they body that he has already instructed her about it. Hon. Lilia Oliveres added that the recipients of the free pass should be assessed first according to need / priority – PWDs, senior citizens, with emergency cases, for medical treatment, etc.

7.7 Committee Report No. 067-2025: From the Committee on Transportation re: Concerns on Modern Jeepneys (PGUSORTSCO)

On motion of Hon. Alexander Destura, duly seconded by Hon. Antonio Emano, Jr., the said committee report was adopted and approved unanimously. Hon. Lilia Oliveres read the committee findings and recommendation, to wit;

FINDINGS:

1. The PGUSORTSCO's waiting time is 10 to 15 minutes.
2. Rush hour in Sorsogon City causes the delay of the arrival of modern jeepney from the city proper to SITEX.
3. PGUSORTSCO have 20 units of modern jeepneys, 2 of which are in their motor pool for repair and 18 operating units.
4. As per LPTRP or the Local Public Transport Route Plan, 15 units of PGUSORTSCO modern jeepney were approved by LTFRB on July 16, 2022.
5. The previous petition of Gubat transport group for PGUSORTSCO units not to enter PAMANA terminal is still enforced.

RECOMMENDATIONS:

1. The LGU should establish a better and comprehensive Prieto Diaz LPTRP.
2. The LGU and the Sangguniang Bayan should help resolve the previous petition filed by Gubat transport against PGUSORTSCO.
3. For the council's adoption and approval.

Hon. Juan Ebid explained that during the hearing, several other issues were raised such as over speeding, long waiting time, etc. At this point, Hon. Alexander Destura stated that it is the LTFRB that would approve their franchise, and not the SB. He added that it seemed like the committee acted on hearsay, since there is no formal complaint against the issue. Hon. Ryand Diño explained that even before one of those would-be complainant, Ms. Nida Thomsen, was able to file a complaint about that hours-long waiting time, a committee hearing has already been called for. Hon. Juan Ebid explained that there were indeed complaints as heard by Hon. Ryand Diño and as cited by Hon. Vice Mayor Domalaon during an interview, and as per statement of Rizal SK Chairperson Jeric Destura. The Chair stated that there is no need for a formal complaint to be filed with the office, since as a member of the Sanggunian, he/she should know when to act when there are problems needing to be addressed.

Hon. Joseph Yap, Jr. informed the body that as per personal experience, the yellow bus from Sorsogon City to Prieto Diaz has passed by the PAMANA terminal in one of its trips, though he is just not sure if it is a regular route. Hon. Antonio Emano, Jr. added that bus indeed passed by PAMANA terminal, and may pick up passengers bound to Prieto Diaz. On the petition of Gubat transport group against PGUSORTSCO units from entering PAMANA terminal, the Chair explained that the said group is only protecting their people – especially the tricycle drivers and their own bus cooperative.

On the other hand, Hon. Lilia Oliveres stated that there were positive outcomes in the hearing like, (1) the complaints were addressed (2) it served as a wakeup call for the service providers as to their waiting time and the attitude for the drivers. Lastly, Hon. Juan Ebid reported that it seemed like PGUSORTSCO does not utilize its terminal in Brgy. Cogon anymore. The Chair then tasked him to confirm the said observation.

7.8 Committee Report No. 068-2025: From the Committee on Rules and Committee on Barangay Affairs re: Barangay San Isidro Ordinance No. 001-2025, entitled: "An Ordinance Prohibiting The Copra Buyer To Purchase Copra And Wholenut (Binook)

10.3 by Hon. Juan Ebid: Philippine Coconut Authority; Ako Bicol Partylist; PCL Week

Hon. Juan Ebid brought up the coconut lumber business in Brgy. Rizal, which to his observation, transports truckload of coconut lumber almost weekly outside the municipality. He expressed his apprehension that soon enough, the coconut trees in the municipality would be all cut down. He suggested looking into the legality of the said business and inviting representative from the Philippine Coconut Authority.

Hon. Alexander Destura suggested making the said business stop, but Councilor Ebid wanted to hear the side of the PCA on the said matter. The Chair then referred the said matter to the Committee on Agriculture and Committee on Rules and instructed them to call for the Punong Barangays, Barangay Chairman, Committee on Agriculture, representatives from PCA and the business owner.

This point, Hon. Juan Ebid brought up also the issue on the Educational Assistance supposedly released by the Ako Bicol Partylist to the students. The Chair replied that in the past, he used to be one of the coordinators of AKB in the municipality, but now it is only the Municipal Mayor. He added that he has already asked about it from the Provincial Coordinator there no response yet.
