Hon. Ryand Diño stated that it is for the ongoing construction of the Covered Court of Calao. After due deliberation, the Chair stated that the SB may pass a separate resolution to SORECO II. Hon. Alexander Destura and Hon. Juan Ebid passed a resolution entitled; A RESOLUTION REQUESTING THE SORSOGON ELECTRIC COOPERATIVE II (SORECO II) THROUGH ITS GENERAL MANAGER ENGR. JOSEF ERWIN R. TABUENA, FOR THE RELOCATION OF ELECTRIC POLES AT PUROK 3 OF BARANGAY CALAO, PRIETO DIAZ, SORSOGON. On motion of Hon. Lilia Oliveres, duly seconded by Hon. Antonio Emano, Jr., the said resolution was adopted and approved unanimously and was docketed as Resolution No. 196-2025.

- 10.4 by the Chair: status of Pan sa Paaralan; CLUP update; cutting of trees at Ibingan dam

- 10.4.1 status of Pan sa Paaralan

The Chair stated that he wanted to know if the said program would still resume. He added that he also wanted to know the status of that 200 bags of flour purchased by the LGU in 2024 but were wasted. As per information from the Municipal Accountant, it is already paid for and liquidated already. The Chair tasked the Secretary to verbally ask Ms. Maribel Aldon and Ms. Christian Lloyd Golena for this matter.

- 10.4.2 CLUP update

With a letter sent to the Mayor, the Chair asked the Secretary if there is a reply already, and the Secretary replied that there has been no reply to date.

- 10.4.3 Budget Hearing

The Chair informed the body of the series of budget hearing called by the Executive Department where in one of which, Hon. Ryand Diño, Vice Chairman, Committee on Appropriation was called for. Councilor Diño explained he received a PM (private message) from one of the staff to attend the hearing, since the Vice Mayor, the Secretary and the Chairman of the Committee on Appropriations were not available. He informed the group though that he cannot offer to reduce the proposal of the Sangguniang Bayan because it was a decision by the plenary.

In addition, Hon. Lilia Oliveres reported that, in during the (1st) hearing where she attended, it was reported that there was a P 12 million deficit, with the proposals that of the departments, making it balloon to 3x bigger. She added that Mayor Romeo Domasian then asked the department heads present to offer a solution. Councilor Oliveres continued that the MHO slashed about P 1.5m from their proposed budget, while the MAO, P 1million, and the MSWDO P 500k. She continued that the legislative offices -

OSB, OVM, OSBS were noted to have huge proposals as well and asked to slash as well. She stated that she told the group and she cannot to do so, and that she needs to present it to the body first.

Having heard that, the Chair expressed that it could have been easier if all the departments' budgets "as is", and only those which are truly in need are to be increased. Hon. Ryand Diño stated that this was also an option presented – as is. Hon. Alexander Destura then expressed his opinion that the SB should not be dictated upon or be dominated. He added that they are entitled to what the department heads are – especially in terms of travel/training expenses. The Chair agreed and reminded the members that each of them is equal to a department head. He then asked them of their opinion. United as one, they all agreed to stand by their budget proposal.

Hon. Alexander Destura proposed inviting the department heads to hear the SB's side. He added that he does not want to reach the point that the SB would be forced to slash their budget, because the SB will not be able to allocate it, rather it will become LGU savings. The Chair agreed that it may happen when the Executive Budget is officially endorsed to the SB.

At this juncture, the Chair declared a recess. The session resumed at 11:32 in the morning.

At this time, the Chair acknowledged the presence of Ms. Maria Luisa J. Dometita, LGOO V, DILG, who has invited by the Chair to give the body a bird's eyeview of the formulation of a Legislative Agenda. Ms. Dometita thanked the body for the initiative to formulate its own Legislative Agenda since as of recent assessment of the Legislative Performance of the 11th Sanggunian, it was found out that the performance rating was below minimum – largely because of the absence of a Legislative Agenda. She continued that several references may be used for the formulation of the said agenda, such as, but not limited to: (1) Philippine Development Plan 2023-2028 (2) the existing ELA (3) SB members' campaign promises (4) barangay consultation (5) DILG Memorandum on LLA. The Chair encouraged then the members to jot down their respective resolutions and ordinance according to their assigned committees and that he will just announce the schedule of the LA formulation.

Having no other matters to be taken up, the Chair adjourned the session at 12:10 in the afternoon.
