Dear **Secretary Remulla**:

Greetings!

I am writing to respectfully request that the Department of the Interior and Local Government (DILG), through your esteemed office, provide one (1) unit of 1,000-gallon fire truck for the use of the Bureau of Fire Protection (BFP) in the Municipality of Prieto Diaz, Sorsogon.

As the Chief Executive of this municipality, I can attest that the existing firefighting equipment and facilities are inadequate to respond to the growing needs of our community. The provision of a modern and reliable fire truck will significantly enhance the capabilities of our local fire department, enabling them to respond more effectively to fire incidents and other emergencies.

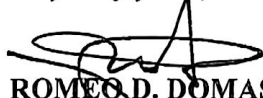

Moreover, this will also contribute to the overall safety and well-being of our constituents, as well as support the economic development of our municipality by protecting lives, properties, and investments.

We believe that this request is consistent with the DILG's mandate to promote peace and order, ensure public safety, and support the development of local communities.

We would be grateful if you could consider our request and provide the necessary assistance to acquire the fire truck. We are committed to ensuring that the equipment will be properly maintained and utilized for the benefit of our community.

Thank you for your attention to this matter, and we look forward to your favorable response.

Very truly yours,

ROMEO D. DOMASIAN
Municipal Mayor
