RESOLUTION NO. 079-2025

Introduced by Hon. Alice Emano

A RESOLUTION PROVIDING HEALTH SERVICES FOR ADOLESCENTS IN AN ADOLESCENT-FRIENDLY FACILITY IN THE MUNICIPALITY OF PRIETO DIAZ, SORSOGON

WHEREAS, the "Adolescents", whose age group belongs to 10-19 years old, are a potent force for genuine development to bring forth economic progress, peace, security, moral ascendancy, and meaningful participation to the local government;

WHEREAS, in recent years, there has been a steady increase in the numbers of teenage pregnancies, adolescent victims of violence and abuse, substance use and abuse and physical, emotional and psychosocial concerns among adolescents. Recognizing the need to address these concerns of our adolescents, the Department of Health (DOH) has taken to the forefront the Adolescent Health and Development Program (AHDP) specifically to assist and support clients in this group;

WHEREAS, Administrative Order 34-A, s. 2000, the Adolescent and Youth Health (AYH) Policy was issued in April 2000, creating the Adolescent and Youth Health Sub-program under the Program for Children's Health Cluster of Family Health. It envisions "well-informed, empowered, responsible and health adolescents and youth" and had a mission to "ensure that all adolescents and youth have access to quality comprehensive health care and services in an adolescent and youth-friendly environment;

WHEREAS, the Department of Health has taken steps to address the health concerns of adolescents as well as implement preventive measures to encourage them to practice healthy behavior. Standards for Adolescent Friendly Health Facilities and Services have been formulated to encourage them to consult local health facilities. Coordination with organizations and agencies with experts on adolescent health are being done to ensure that we are on the right track. Public health workers are being trained to ensure that they are able to deal with the peculiar psyche and needs of clients in this age group;

WHEREAS, the list of essential health services to be provided to the adolescents as packages include basic essential health package, adolescent pregnancy package and STI/HIV package. The components of the package may be modified in the future as evidence for specific components are updated periodically by the Department of Health;

WHEREAS, hereunder are the said health services, to wit;
