II. Rationale

With the expected aging population, the State needs to develop or to enhance its existing programs and services to be more responsive to the needs of the senior citizens and to ensure that their rights are promoted and protected. Several national legislations have been passed in response to the responsibility of the government to uphold the welfare of the Filipino senior citizens. One of the most notable initiatives is the enactment of the Republic Act (R.A.) No. 9994 or the Expanded Senior Citizens Act of 2010¹. Likewise, R.A. No. 11916 was passed last 30 July 2022 that mandates the increase of the amount of the social pension stipend for the indigent senior citizens².

In the said act, the national government through the Department of Social Welfare and Development (DSWD) is mandated to implement the Social Pension for Indigent Senior Citizens (SPISC), which is a monthly stipend of One Thousand Pesos (Php1,000.00), to provide additional government assistance to the indigent senior citizens to augment their daily living subsistence and medical needs. Since CY 2011, the program is continuously expanding its coverage to support the growing number of indigent senior citizen to be at par to the increasing number of senior citizens.

To ensure the responsive and efficient implementation of social welfare and development programs, projects, and services for the vulnerable and marginalized sectors of the society, one of which is the senior citizens sector, the DSWD through its respective Field Offices, shall

¹ An Act Granting Additional Benefits and Privileges to Senior Citizens, Further Amending Republic Act No. 7432, As Amended, Otherwise Known as "An Act to Maximize the Contribution of Senior Citizens to Nation Building, Grant Benefits and Special Privileges and For Other Purposes"

² An Act Increasing the Social Pension of Indigent Senior Citizens and Appropriating Funds Therefor, Amending for the Purpose Republic Act No. 7432, Entitled "An Act To Maximize The Contribution Of Senior Citizens To Nation-Building, Grant Benefits And Special Privileges, And For Other Purposes", As Amended, And For Other Purposes

identify the most cost-effective and expedient payment method available such as but not limited to direct payment to the beneficiary through cash advance by a designated Special Disbursing Officer (SDO), door-to-door delivery scheme; use of cash card; fund transfer to Local Government Units (LGUs) and money remittance as provided in the DSWD Memorandum Circular No. 06 series of 2024³.

This LGU has been consistent with its good track record in the implementation of the SPISC program; hence, in support of the DSWD FO-V, the LGU shall adopt the fund transfer scheme since this will be more effective and responsive to its constituents.

III. Objectives

General:

Help improve the living conditions of the indigent senior citizen beneficiaries of SPISC program

Specifically, the program aims to:

- 1. Augment capacity of the SPISC beneficiaries to meet their daily subsistence and medical requirements;
- 2. Reduce incidence of hunger among SPISC beneficiaries; and
- 3. Mitigate the cause of neglect, abuse or deprivation among the indigent senior citizens.

IV. Expected Outputs/Outcome

At the end of the program implementation by December 2026, the FO V and LGU Prieto Diaz shall have the following output/outcome:

- 2. Consolidated paid registry of social pension beneficiaries every 5th day of the succeeding month for submission to the Central Office;
